

West Moray, St Leonard's Notices & Order of Service Sunday 17th May, 2026

Welcome to West Moray

A warm and friendly welcome to our worship service, which will be led by one of our Team Ministers, Rev Stuart Finlayson.

If you are visiting this morning or here for the first time, we hope that you will feel at home and we pray that together we will enjoy God's blessing.

The words of the hymns will be displayed on the large screens on either side of the pulpit.

The words of the Scripture readings will also appear on the screens. The Scripture reader is Karine Carson.

As you will have noted, offering plates are available for contributions in the vestibule and west transept.

After the service you are invited to make your way through to the hall for a time of fellowship over a cup of tea or coffee and a biscuit.

NB Prior permission must be obtained to take photos or videos of church activities.

First of Weekly Lecture Series in St Laurence

The regeneration of the city centre of Quito, capital of Ecuador, was a battle between traditional street traders and city planners, who wanted to modernise the area in a way that earned it a place in global tourism. The project received a large amount of attention in the world of city planning with many papers and citations. Bernard Baca, who has recently moved to our area and set up Mantilla Home Designs in St Leonard's Road, was one of the architects of Quito City Centre regeneration and will be giving a talk about it in St Laurence on Thursday 21st May at 7.00pm. Admission by donation. (**Norman Thomson**)
